WINDOW SURROUNDS

Made out of high-quality PVC

The Perfect Fit

Trim Solutions exterior PVC window surrounds come pre-assembled to your specifications and include a continuous nailing flange for a hidden fastener installation. Each surround is easy to install and includes a built in gasket to mitigate expansion and contraction.

Trim Solutions window surrounds are weather resistant, insect resistant and won't rot or split like wood. There's no need for painting or caulking.

- No Face Nailing
- High-Quality Cellular PVC
- Optional "J" Channel
- Window Nailing Flange Plow
- No need to paint or caulk
- Made in the USA
