# DOOR SURROUNDS

Made out of high-quality PVC

## Create a Classy Entrance

Trim Solutions exterior PVC door surrounds come pre-assembled to your specifications and include an authentic angled cap for water run-off. Choose from plain or fluted pilasters.

Each surround is pocket screwed and glued for long-lasting durability. Trim Solutions door surrounds are weather resistant, insect resistant and won't rot or split like wood. There's no need for painting or caulking.

- No Face Nailing
- Optional "J" Channel
- Reversible Dentil/Plain Accent Strip
- High-Quality Cellular PVC
- No need to paint or caulk
- Made in the USA
